GUIDELINES AND MINIMUM REQUIREMENTS TO ESTABLISH GNM SCHOOL OF NURSING

1. The following Establishments / Organizations are eligible to Establish / Open a General Nursing and Midwifery School of Nursing (GNM School).
   a) Central Government/State Government/Local body;
   b) Registered Private or Public Trust;
   c) Organisations Registered under Societies Registration Act including Missionary Organisations;
   d) Companies incorporated under section 8 of Company’s Act;

2. The eligible Organizations / Establishments should have their own 100 bedded Parent Hospital.
   Provided that in respect of Tribal and Hilly Area the requirement of own Parent Hospital is exempted.
   - Tribal area – Scheduled notified area; [Areas as the President of India may by order declare to be Scheduled Areas;]
   - Hilly area – North East States, Jammu & Kashmir, Himachal Pradesh & Uttarakhand.

3. The eligible Organizations / Establishments should obtain Essentiality Certificate / No objection Certificate from the concerned State Government where the GNM School of Nursing is sought to be established. The particulars of the name of the School / Nursing Institution along with the name of the Trust /Society [as mentioned in Trust Deed or Memorandum of Association] as also full address shall be mentioned in No Objection Certificate/Essentiality Certificate.

4. After receipt of the Essentiality Certificate/ No objection Certificate, the eligible institution shall get recognition from the concerned State Nursing Council for the GNM programme for the particular Academic Year, which is a mandatory requirement.
5. The Indian Nursing Council shall after receipt of the above documents / proposal would then conduct Statutory Inspection of the recognized training nursing institution under Section 13 of Indian Nursing Council Act 1947 in order to assess the suitability with regard to availability of Teaching faculty, Clinical and Infrastructural facilities in conformity with Regulations framed under the provisions of Indian Nursing Council Act, 1947.

**PHYSICAL FACILITIES**

**Teaching Block:**

The School of Nursing should have a separate building/teaching block*. For a School with an annual admission capacity of 40-60 students, the constructed area of the School should be 20000 square feet.

The School of Nursing can be in a rented/leased building for first two years. After two years institute shall have own building in an institutional area. Otherwise Rs.50,000 penalty has to be paid for every year for 3 years. During the penalty period if the institute is not able to construct own building the permission/suitability will be withdrawn and will be taken as a fresh proposal.

Adequate hostel/residential accommodation for students and staff should be available in addition to the above mentioned built up area of the Nursing School respectively. The details of the constructed area are given below for admission capacity of 40-60 students:

Note: -

*1. Nursing Educational institution should be approved for establishing institution by State Government competent authority.
*2. If the institute has non-nursing programme in the same building, Nursing programme should have separate teaching block.
*3. Shift-wise management with other educational institutions will not be accepted.
*4. Separate teaching block shall be available if it is in hospital premises.
*5. Proportionately the size of the built-up area will increase according to the number of students admitted.
*6. School and College of nursing can share laboratories, if they are in same campus under same name and under same trust, that is the institution is one but offering different nursing programmes. However they should have equipments and articles proportionate to the strength of admission. And the class rooms should be available as per the requirement stipulated by Indian Nursing Council of each programme.

1. **Class rooms**

There should be at least three classrooms with the capacity of accommodating the number of students admitted in each class. The rooms should be well ventilated with proper lighting system. There should be built in Black/Green/White Boards. Also there should be a desk/ dais/a big table and a chair for the teacher and racks/cupboards for keeping teaching aids or any other equipment needed for the conduct of classes also should be there.
2. **Laboratories**

There should be at least Six laboratories as listed below:

<table>
<thead>
<tr>
<th>Laboratory</th>
</tr>
</thead>
<tbody>
<tr>
<td>Nursing Foundation Laboratory</td>
</tr>
<tr>
<td>Community Health Nursing &amp; Nutrition Laboratory</td>

</tr>
<tr>
<td>Pre Clinical Sciences Laboratory</td>
</tr>
</tbody>
</table>

3. **Multipurpose Hall**

It can be utilized for hosting functions of the college, educational conferences/workshops, CNES examinations etc. It should have proper stage with green room facilities. It should be well-ventilated and have proper lighting system. There should be arrangements for the use of all kinds of basic and advanced audio-visual aids.

4. **Library**

There should be a separate library in the school. It should be easily accessible to the teaching faculty and the students.

It should have comfortable seating arrangements for half of the total strength of the students and teachers in the school. There should be separate budget for the library. The library committee should meet regularly for keeping the library updated with current books, journals and other literature.

The library should have proper lighting facilities and it should be well-ventilated. It should have a cabin for librarian with intercom phone facility.

There should be sufficient number of cupboards, books shelves and racks with glass doors for proper and safe storage of books, magazines, journals, newspapers and other literature.
There should be provision for catalogue-cabinets, book display racks, bulletin boards and stationery items like index cards, borrowers cards, labels and registers. Current books, magazines, journals, newspaper and other literature should be available in the library.

A minimum of 500 single titled nursing books (all new editions), in the multiple of floor, 3 kinds of nursing journals, 3 kinds of magazines, 2 kinds of newspapers and other kinds of current health related literature should be available in the library.

5. **Offices Requirements**

   **a. Principal’s Office:**

   There should be a separate office for the Principal with attached toilet and provision for visitor’s room. Independent telephone facility is a must for the Principal’s office with intercom facility connected/linked to the hospital and hostel.

   **b. Office for Vice-Principal:**

   There should be a separate office for the Vice-Principal with attached toilet and provision for visitor’s room. Independent telephone facility is a must for Vice-principal’s office with intercom facility connected/linked to the hospital and hostel.

   **c. Faculty Room:**

   There should be adequate number of office rooms in proportion to the number of teaching faculty. One office room should accommodate 2 teachers only. Separate toilet facility should be provided for the teaching faculty with hand washing facility. There should be a separate toilet for male teachers.
d. **Staff Room:**

One separate office room for the office staff should be provided with adequate toilet facility. This office should be spacious enough to accommodate the entire office staff with separate cabin for each official.

Each office room should be adequately furnished with items like tables, chairs, cupboards, built-in racks and shelves, filing cabinets and book cases. Also there should be provision for typewriters, computers and telephone.

6. **Common Rooms**

A minimum of 3 common rooms should be provided. One for the teaching faculty, one for the student and one for the office staff. Sufficient space with adequate seating arrangements, cupboards, lockers, cabinets, built-in-shelves and racks should be provided in all the common rooms. Toilet and hand washing facilities should be made available in each room.

7. **Audio-Visual Aids Room & Store Room**

This room should be provided for the proper and safe storage of all the Audio-Visual Aids. The School should possess all kind of basic as well as advanced training aids like chalk boards, overhead projectors, slide and film-strip projector, models, specimen, charts and posters, T.V. & V.C.R., Photostat machine, tape recorder and computers, LCD, Laptop.

It should be provided to accommodate the equipments and other inventory articles which are required in the laboratories of the college. This room should have the facilities for proper and safe storage of these articles and equipments like cupboards, built-in-shelves, racks, cabinets, furniture items like tables and chairs. This room should be properly lighted and well-ventilated.
8. **Other Facilities**

Safe drinking water and adequate sanitary/toilet facilities should be available for both men and women separately in the school. Toilet facility to the students should be in the ratio of 1:25 students is to be made available for students along with hand washing facility. There should be a separate toilet for men.

9. **Garage**

Garage should accommodate a **50** seater vehicle.

10. **Fire Extinguisher**

Adequate provision for extinguishing fire should be available as per the local bye-laws.

11. **Playground**

Playground should be spacious for outdoor sports like Volleyball, football, badminton and for Athletics.

**Hostel Block:**

Hostel Provision is Mandatory and shall also be owned by the institute within the period of two years.
