

List of Ph.D Student's under NCPN

10th batch-2015

SI. NO	Name	Guide	Research Topics
1.	Ms. Mamta	Dr. Sushma Kumari Saini	A study to assess the effectiveness of structured training programme on selected non communicable diseases risk reduction among women on knowledge and selected performance outcomes of female health workers
2.	Ms. Suja Raj L	Dr.Navaneetha	Effectiveness of parental education on parenting efficacy and stress among mothers of children after congenital heart surgery
3.	Mr. Paramesha A.E.	Dr.Leena KC	Development and validation of Perceptions of Adherence to Antiretroviral Therapy Scale (PAARTS) among people living with HIV/AIDS"
4.	Ms. Beena Abraham Varghese	Dr.Navaneetha	Effectiveness of neighbourhood network on family caregiver burden and QOL of patients in palliative home care with neurological conditions in selected communities of pathanamthitta dist, Kerala
5.	Ms. Mary Shini D.		Discontinued
6.	Ms. Ruchika Rani	Dr.(Mrs) Sukhpal Kaur	"A Randomized control trial to assess the impact of a Nurse-Led Pre-Chemotherapy Education (ChemoED) Programme on quality of life, symptom experiences, hospital visits, and psychological distress among breast cancer patients in selected hospitals of Uttarakhand"
7.	Ms. Prabha Lis Thomas	Dr.Harmeet Kaur Kong	A randomized control study to determine the effectiveness of turmeric mouth wash on oral health status, treatment induced oral mucositis and associated oral dysfunctions among patients with head and neck cancer.
8.	Ms. A. Priscilla Devakirabai	Dr.Sr.Celcy Mary	Effect of Comprehensive Prenatal Counselling Module (CPCM) on knowledge on Advanced Maternal Age (AMA) pregnancy and the pregnancy outcome among the AMA pregnant women availing the maternity services of a tertiary care hospital, Chandimandir, Panchkula, Haryana.
9.	Ms. Himani	Dr.Sr.Celcy Mary	Anaemic Profile with Risk Factors and the Effectiveness of Specific Intervention Package on Pregnancy Outcomes among Anaemic Primigravid Mothers.

10	Ms. Gomathi. B	Dr.Anuchitra	A study to determine the risk factors of Pregnancy Induced Hypertension (PIH) and evaluate the efficacy of Vascular Symptom Management Package (VSMP) on Vascular Symptoms, Perinatal Outcome and Quality of Life (QOL) of pregnant women with PIH attending antenatal OPD in selected Tertiary care Hospital, Dehradun, Uttarakhand.
11	Ms. Sushma Oommen	Dr.P.Asha P Shetty	Effectiveness of distraction technique, local cold application and the influence of child's fear and parental anxiety on pain and behavioural distress during invasive intravenous procedures among hospitalized children in selected hospitals of Mumbai
12	Ms. Sebi Das	Discontinued	
13	Mr. Shriharsha.C	Dr. R. Sreevani	Effectiveness of Multimodal Stress Management Programme on Symptom Experience, Medication Adherence, CD4 Count, Depression, Anxiety and Quality of Life of People Living with HIV/AIDS.
14	Ms. Mariamma P Alexander	Dr.Usha V.K	A study to assess the effectiveness of multicomponent interventions on psycho social problems and quality of life of children of parents with mental disorders attending selected mental health centres in Kerala
15	Mr. Dayananda B. O. Yeovil District	Dr. R. Sreevani	A study to assess the effectiveness of psycho-social intervention for selected internalizing behaviour problems among children of alcoholic parent's at selected school Bangalore.

11th batch-2016

SI. NO	Name	Guides	Topics
1.	Mr.Bivin JB		Discontinued
2.	Ms.Jyothi Lekshmi	Dr.Riaz.K M	"Impact of Mid Life Crisis (MLC) Management Protocol on resilience, Rejection sensitivity and anger among adults with Midlife crisis".
3.	Ms.Cebi Paul	Dr.Usha.V.K	"Effectiveness of a school based intervention on self esteem, body image, eating attitude and eating behaviour of adolescents with obesity in selected schools of Kerala.
4.	Ms.Besi Paul	Dr.Usha.V.K	"Effectiveness of a multicomponent depression prevention intervention on depressive symptoms, anxiety and well-being among adolescents with risk for depression studying in selected schools of Kerala."
5.	Ms.J.Hepsi Bai	Dr.Vinitha Ravindran	Perceived job stress and its relationship to coping, Self-efficacy, perceived organizational support and job satisfaction among nurses working in selected hospitals in South India".
6.	Ms.Kavitha.K	Dr.A.Padmaja	A Study to assess the impact of SCOPE (Supportive and coping strategies, ongoing assessment, prevention of complications and empowerment program on health-related quality of life (HRQoL), health status of thalassemic children and parent's coping, perception about HRQoL of their children, at selected hospitals, North Karnataka
7.	Ms.Subin Mariya Jacob		Discontinued
8.	Ms.Sindhu.K	Dr.Sisy Jose	Assessment of reproductive health seeking behaviour and its barriers and evaluation of adolescent reproductive and sexual health (ARSH) programme on reproductive health problems and health seeking behaviour of tribal adolescent girls studying in selected tribal Schools of Kerala.
9.	Ms.Justina.P.V	Dr.Sisy Jose	Evaluation of microskills model of clinical teaching on perceived stress, physio psychosocial health and clinical learning outcomes among fourth year BSc nursing students during maternity nursing clinical experience in a selected college of Nursing, Thrissur
10	Ms.Yogita	Dr.Sr.Celcy Mary	A study to evaluate the Maternal Role Attainment Behaviour program in terms of Maternal role competence and satisfaction, Social support, Self-esteem and Stress among primi gravida mothers

			residing in specific geographical areas of New Delhi”.
11	Ms.Ann Merrin George	Dr.Leena KC	“A study to assess the effectiveness of Self-help group Training to Alleviate Reproductive tract infection (STAR) on knowledge, practices, skills and health seeking behaviours among self-help group women of the reproductive age group in a selected community in Ernakulam district, Kerala, India”.
12	Mr.Sujith Kuriakose	Discontinued	
13	Mr.Abid Faheem TK	Dr.Leena KC	“A study to compare Health Related Quality of Life (HRQOL) and health related outcomes among male patients with indwelling versus intermittent bladder catheterization and exploration of lived experience of patients with Spinal Cord Injury (SCI) with impaired bladder emptying at selected Panchayats of Kerala State, India”.
14	Ms.Sitara Pani Chandrika	Discontinued	
15	Ms.Reji.R K	Dr.Sushma Kumari Saini	“Development and evaluation of critical thinking and decision making skills inventory for selected crisis situations in providing maternal and child health services by ANMs in terms of their critical thinking and decision-making skills in selected community health Settings.”
16	Ms.Manjula.K.C	Dr.Juliet Sylvia	“A study to identify the prevalence of occupational health problems and to evaluate the effectiveness of an Occupational Health Promotion Programme (OHPP) on the health related quality of life, knowledge, attitude and practice regarding prevention of occupational hazards among workers of selected textile industries in Kerala”.
17	Ms.Soumya.S	Dr.Fatima D’Silva	A Study to assess the effectiveness of Graded Motor Imagery (GMI) on upper limb motor function, Visuo-Spatial neglect, depression, body image and quality of life of patients with subacute stroke residing in the selected community health setting of Calicut district, Kerala
18	Ms.Smitha Thomas	Discontinued	
19	Ms.Chandrani Isac	Dr.Premila Lee	“Development and effectiveness of transitional care protocols on functional ability, quality of life and clinical outcomes on elderly with selected chronic illness and their caregiver burden”.
20	Ms.Bindu George.K	Discontinued	

12th batch-2017

SI. NO	Name	Guides	Topics
1.	Ms.Salina S	Dr.Leena K.C	Prevalence and contributing factors of hypothyroidism and effectiveness of a multi nursing intervention package on level of thyroid hormones Quality of Life and subjective well being among patients in selected health care settings at Kannur district
2.	Ms.Sonia Karen Liz Sequera	Dr.Leena K.C	Lived experience of clients with Urinary Tract Infection (UTI) on quality of life (QOL), Awareness, expressed habitual practices and effectiveness of SCAPS (Structured Counseling and Preventive Strategies) on UTI among the women of reproductive age group.
3.	Ms.Sailabala Mohanty	Dr.Sushma Kumari Saini	Effectiveness of nurse Led intervention in terms of maintenance of anthropometrics features, biophysical profiles, self-care activities and quality of life among adults living with diabetes in selected villages of Khurda, Odisha
4.	Ms.Krishnaveni.R	Discontinued	
5.	Ms.Gomathi.A	Dr. Dr.Kamalam	"A study to assess the prevalence of type 2 diabetes mellitus and to evaluate the effectiveness of gooseberry juice versus mucilage of okra (lady's finger) in controlling blood sugar levels among adults with type 2 diabetes mellitus in selected rural settings of Puducherry."
6.	Ms.Mugda Devi Sharan Sharma	Dr.Kamlesh Kumari Sharma	A study to determine prevalence, associated factors & consequences of unintended pregnancy in women; & effectiveness of Comprehensive Skilled Based Management Package on competencies of primary level health workers regarding management of unintended pregnancy in selected community
7.	Mr.Vijay V R	Dr.Harmeet Kaur Kang	A randomized controlled trial to assess the efficacy of nurse led interventions on adherence to dietary and fluid restrictions and other health related outcomes among patients with chronic kidney disease."
8.	Ms.Mamta Choudhary	Dr.Harmeet Kaur Kang	A study to assess Health related quality of life and physical, psychological, social and spiritual lived experience of the patients with colostomy/ ileostomy attending OPD in selected hospitals, Punjab

9.	Ms.Anuja B.S	Dr.Fatima D'Silva	Development of standardized handing over communication protocol and its effectiveness in terms of knowledge, safe care practice, patients' satisfaction and handing over related care failures among staff nurses in selected hospitals of Kerala
10.	Ms.Ajitha Datta chaudhuri	Dr.Punitha Ezhilarasu	A study on supportive care needs of patients with haematological cancers with a view to develop and test the effectiveness of a cancer support intervention on symptom management and coping at a selected super specialty hospital of New Delhi
11.	Ms.Sherin Susan Thomas	Dr.Bindhu Mathew	A Study to evaluate the effectiveness of ABCDEF care bundle on pain, agitation and delirium (PAD) among critically ill patients in a selected hospital of Bangalore
12.	Mr.Athar Javeth	Dr.Fatima D'Silva	"Exploration of lived-in experiences related to Cancer Related Fatigue (CRF) and the effect of Multicomponent Self-Help Intervention Package (MSHIP) on Fatigue, Functional Performance, Aerobic Capacity and QoL among cancer patients in a selected tertiary care hospital".
13.	Ms.Manju SS	Dr M V Smitha	A study to assess the effect of Nursing interventions to enhance self-efficacy for child birth, coping ability, anxiety, fear and pain during labour among primi gravid women attending antenatal outpatient department of selected hospitals in Kozhikode.
14.	Ms.Biji Jose	Dr.Sisy Jose	Effectiveness of SCOPE (Self-help techniques of coping and Creation of Opportunities for Personal Empowerment) on psychological distress and quality of life of women with iatrogenic premature menopause and knowledge, attitude and support of spouses in selected hospitals, Ernakulam district, Kerala
15.	Ms.Blaze Asheetha Maria Rosario	Dr.Sr.Celcy Mary	"A study to develop and evaluate the impact of midwifery clinical Competency Based Assessment Tool (CBAT) for nurse midwife trainees in selected colleges, Bengaluru."
16.	Ms.Rupinder Deol	Dr.Manju Vatsa	An Experimental Study to evaluate the effectiveness of stress management strategies : A video instruction on knowledge, attitude and practices among adolescents studying in senior secondary schools of Utrkhand
17.	Ms.Mohanasundari	Dr.A Padmaja	A study to assess effectiveness of music therapy and visual imagery techniques versus conventional interventions on preoperative anxiety among children undergoing surgeries in selected hospitals of Rajasthan."

18.	Mr.Jayakrishnan	Dr.Arunjyoti Baruah	A study to assess the efficacy of specific nursing interventions on ego resilience and quality of life among people with depression in selected mental health centers
19.	Ms.Xavier Belsiyal	Dr.R.Sreevani	"A study to evaluate the efficacy of therapeutic milieu on suicidal ideation, self-esteem and depressive symptoms among patients with depressive disorders in a selected hospital, Uttarkhand, India."
20.	Ms.J.Manoranjini	Discontinued	

13th batch-2018

Sl. No	Name	Guide	Topics
1.	Ms.Neetu Tripathi	Dr.Kamlesh Kumari Sharma	"A study to assess the available resources and perception of nursing personnel regarding their expected and performed role and competencies related to Rashtriya Bal Swasthya Karyakaram (RBSK)".
2.	Ms.Tanusri Mandal	Discontinued	
3.	Ms.Mandeep Kaur	Dr.Sukhpal Kaur	A mixed method study on lived experiences, quality of life ,health status and treatment seeking behaviour of the patients suffering from blood borne diseases with a view to develop an instructional module for the prevention of spread of infection, in selected tertiary care hospital
4.	Ms.Veena R Nair	Dr.Angela Gnanadurai	An exploratory study on Knowledge, Attitude and practices of transgenders related to Utilization of Health Care Services among Nurses and Transgenders in Kerala.
5.	Ms.Kripa.K.K	Dr.Bindhu Mathew	Exploration of perception of recovery experiences and engagement in rehabilitation among post operative hip fracture patients and evaluate the effects of multidisciplinary intervention on their functional status, quality of life and adherence to rehabilitation, in selected hospitals, Kerala".
6.	Ms.K.Reeta Jebarani	Dr.Jeyarani Premkumar Retd	"An exploratory study of the lived experience and to evaluate the effect of multicomponent intervention programme on self concept, self body image and quality of life among burn survivors in selected hospitals of Tamilnadu."
7.	Ms.Geeta Bhardwaj	Dr M V Smitha	A comparative study of single versus tandem feeding techniques on maternal fatigue, breast feeding satisfaction, breast feeding self-efficacy and perceived barriers of breast feeding among mothers with twin babies admitted in selected health care setting of U.P. and Delhi
8.	Ms.X.Sangeetha	Dr M V Smitha	Effectiveness of nursing interventions on maternal and fetal outcome among low BMI antenatal women attending antenatal OPD in selected hospitals of Karnataka.
9.	Mr.Himanshu Vyas	Dr.Sr.Celcy Mary	"Assessment of quality of maternal and newborn services and their impact on maternal-fetal outcome and maternal satisfaction at selected primary health Centers of Rajasthan".

10.	Ms.Abi Rami	Dr.Anuchithra	Effectiveness of self-care training module on identification of obstetric danger signs, health seeking behavior and perinatal outcome among the pregnant mothers in selected hospitals at Nellore, Andhra Pradesh.
11.	Ms.Linda Varghese	Dr.Lekha Viswanathan	An exploratory study on Stress Urinary Incontinence (SUI) and its contributing factors among perimenopausal women with a view to develop an evidence based nursing care protocol for its prevention and management in selected districts in Kerala."
12.	Ms.Heena	Dr.Jyoti Sarin	Effectiveness of adolescent empowerment programme on self-efficacy, quality of life, stress and coping strategies of adolescents with type 1 diabetes mellitus in selected hospital of Northern India.
13.	Mr.Uma Shanker	Dr.Jyoti Sarin	Effectiveness of Parental empowerment Programme on palliative care of children with cancer in terms of parental knowledge parenting stress and their coping strategies, symptom burden and quality of life of children in a tertiary care center in India
14.	Ms.Sebi Das	Dr.Vinitha Ravindran	Identification of Barriers for Evidence-Based Nursing Practice and Seek Opinion of Nurses and selected Health Team Members to overcome the barriers
15.	Ms.Niza K	Discontinued	
16.	Mr.Srinivasan P	Dr. R. Sreevani	"Effectiveness of Aggression Management Training (AMT) on Self-esteem, impulsivity and Aggressive behaviour among adolescents residing in selected Delinquent homes."
17.	Mr.Sandeep Arya	Dr. R. Sreevani	Effectiveness of a recovery oriented program on hope, mental well-being and ability in recovery and illness management among severe mentally ill patients admitted in rehabilitation unit of selected mental hospital.
18.	Ms.Nisha.C.K	Dr.Manoranjitham	"Effectiveness of cognitive rehabilitation on cognitive functions among persons with mild cognitive impairment (MCI) residing in a selected community setting of Karnataka."
19.	Mr.Irasangappa Mudakavi	Dr. R. Sreevani	A study to evaluate the effectiveness of transitional nursing care on process of recovery, prevention of relapse and readmission among individuals with severe mental illnesses: A prospective study in a selected institution of national importance, Rajasthan, India
20.	Mr.Samson Grover.J	Discontinued	

14th batch-2019

SI. N O	Name	Guide	TOPICS
1.	Ms.Rohisha I K	Dr. Juliet Sylvia	Effectiveness of Emotional Intelligence Skill Training on emotional intelligence, work life balance, empathy, self efficacy and inter professional communication skills among Nursing Personnel working in selected primary, secondary and tertiary health care settings of Raipur district
2.	Ms.Chithra C K	Dr. Juliet Sylvia	A study to explore the existing disaster preparedness and to evaluate the effectiveness of disaster training module on the level of knowledge, perceived readiness and competence towards disaster preparedness among the nursing personnel in selected primary and community health centers in Kollam district.
3.	Ms.Asha P Nair	Dr.Angela Gnanadurai	An exploratory study to identify and compare the effectiveness of Eye Care Training Program on selected eye problems and factors for Non adherence to treatment in selected Health care settings of Trivandrum District, Kerala
4.	Ms.Renu K. Nair	Dr.Angela Gnanadurai	A study to evaluate the effectiveness of a training package for caregivers on management of stroke survivors in terms of rehabilitation status and occurrence of secondary complications in selected blocks of Thiruvananthapuram district.
5.	Ms.Navreet Kaur Saini	Dr. Raman Kalia	A study to assess the application of Levine's conservation model in terms of symptom management, self- dependence, self-esteem and quality of life among post mastectomy patients admitted in selected hospitals of Delhi and Haryana State.
6.	Ms.Jisha Sreekumaran	Dr.Harindar Jeet Goyal	A Study to develop Nursing Care Standards and Protocols on care of patients receiving Cancer Therapy and evaluate in terms of Nursing Care Practices and Patient Outcome in a selected hospital of New Delhi.
7.	Ms.Manita Dalal	Dr.Lekha Viswanathan	A study to assess the need, with a view to develop and evaluate the effectiveness of an intervention program on Respectful Maternity Care in terms of knowledge, attitude and practices of nurses and perinatal care experiences of mothers in selected hospitals of Delhi NCR.

8.	Ms.Sivapriya.S	Dr.Sudha A Raddi	A prospective cohort study to assess maternal factors associated with fetal and placental growth with a view to develop a pregnancy monitoring card to categorize mothers at low/ high risk in a Midwife - Led Continuity Care (MLCC) Clinic in Pune, Maharashtra State.
9.	Ms.Kumud Dogra	Dr.Sr.Celcy Mary	A study to evaluate the effectiveness of utilization of mobile based application on pregnancy, birth and new-born care in relation to maternal and foetal outcome among pregnant mothers in selected hospital of angra district, Himachal Pradesh.
10.	Ms.Kalyani Rath	Dr M V Smitha	An exploratory study to assess the quality of life, mood state and treatment satisfaction among mothers with gestational diabetes and its association with maternal and fetal outcome in a selected tertiary care hospital, Bhubaneswar, Odisha.
11.	Ms.R.Beutlin	Dr.Sisy Jose	A study to screen and assess the effectiveness of Awareness drive on Knowledge, practices and Attitude of rural women regarding Gynaecological cancers in selected villages of Kanyakumari District
12.	Mr.Raghu.V.A	Dr.Manju Vatsa	A randomized controlled trial to assess the effectiveness of nurse led developmental intervention package on neuro developmental outcome of preterm babies in AIIMS Jodhpur
13.	Ms.Suvashri Sasmal	Dr.Asha P Shetty	Effect of pre-feeding oromotor stimulation on feeding performance, weight gain and duration of hospital stay during hospitalization and early infancy among preterm neonates admitted at selected sick newborn care units of Kolkata.
14.	Mr.Jayavel.M .jai@gmail.com	Dr.A.Padmaja	A study to assess the knowledge, attitude, utilization and perceived barriers in utilization of Kishori Shakti Yojana with a view to develop guidelines for effective implementation of Kishori Shakti Yojana among adolescent girls(11-17) at Raipur, Chhattisgarh"
15.	Ms.Sanjeeta Dara	Dr.Smriti Arora	A study to assess knowledge, attitude, utilization and perceived barriers for utilization of adolescent friendly health clinic (AFHC) under National Adolescent Health Programme (NAHP) among stakeholders, in selected district, of Rajasthan.
16.	Mr.Abin Varghese	Dr.Deepika Khaka	Development and evaluation of a tool to assess compassionate care in clinical nursing practice

17.	Mr.Jaison Joseph	Dr.Deepika Khaka	Efficacy Of A Nurse Led Intervention In Improving Alcohol Abstinence, Acceptance, Adherence And Attitude Towards Disulfiram Treatment In selected Alcohol De-Addiction Settings of North India.
18.	Mr.Jithin Thomas Parel	Dr.Balamurugan.G	Lived experiences and coping strategies of flood survivors in selected districts of Kerala State.
19.	Ms.Mary Ancy N Xavier	Dr.Usha.V.K	Effectiveness of brain fitness programme on cognition, depression, self esteem, and quality of life among senior citizens residing in selected old age homes of Kerala.
20.	Ms.Jaishri	Dr. R. Sreevani	Evaluate the effectiveness of community re-entry programme on global functioning, medication adherence and relapse rates among bipolar affective disorder patients at AIIMS, Jodhpur

15th batch-2020

SI. NO	Name of the candidate	Name of the Guide	Title
1.	Ms.Shandriila Gnanatheebam	Dr.Vathsala Sadan	"A comparative cross-sectional study on Resilience, Adaptation, Cohesion and Lived Experiences of Families faced with and without Covid-19 infection during the pandemic in a selected rural block of Vellore District, Tamil Nadu, South India".
2.	Ms. Rashmi	Discontinued	
3.	Ms. Purnima Kundu	Discontinued	
4.	Ms. Dhanya M	Discontinued	
5.	Ms. Nirmala Margaret Emmanuel	Dr.Premila Lee	Develop and validate patient acuity tool and prepare optimal nurse patient ratio for selected clinical settings in a tertiary hospital of South India.
6.	Ms. Amrit Kaur	Dr.Harmeet Kaur Kang,	Nurse Practitioner in Critical Care (NPCC): Exploration of opportunities and challenges perceived by nurse practitioners and stakeholders.
7.	Ms. Dainy Thomas	Dr.Harmeet Kaur Kang,	A randomised control trial to assess the effectiveness of Nurse Led Myocardial Infarction follow up clinic on selected outcome variables of patients and caregivers of patients with MI attending Cardiology OPD in a tertiary care hospital in Delhi".
8.	Ms. Jissa Donel	Dr.Anuchithra.S	A study to explore women's choice of different birthing positions during labour attending selected antenatal clinics and lived experiences of mothers who delivered in alternative birthing positions in selected birthing centres /units in India.
9.	Ms. Keka Chatterjee	Dr.Sudha A Raddi	A study to develop and evaluate the outcome of a Nurse Led Lactation Clinic on breast feeding and maternal role competence among primi mothers in a tertiary care hospital
10.	Ms. Pratibha Khosla	Dr.Anuchithra.S	A study on women's lived experiences on respectful maternity care with an aim to develop guidelines for midwives in a selected tertiary care hospital.
11.	Ms. Preetinder Kaur	Dr.Latha Venkatesan	A study to develop and evaluate the effectiveness of Respectful Maternity Care (RMC) interventions on knowledge, attitude and practice of nurses and maternal perception about RMC among mothers

			attending maternity units of selected hospitals of India.
12.	Ms. L .Levis Murry	Dr.Vinitha Ravindran	A randomised controlled trial to assess the effectiveness of nurse led home care telephonic support to parents of early discharge preterm neonates on selected clinical outcomes.
13.	Ms.Santhi Thamizharasi P	Dr.Vinitha Ravindran	Quasi experimental study to assess the effectiveness of simulation based family centered care training on knowledge and practice of nurses and parental satisfaction of children admitted in PICU.
14.	Mr. Bivin J B	Dr.Riaz.K M	A study to develop and evaluate effectiveness of Nurse-led Drug Avoidance and Therapeutic Adherence (DATA) Training Module on sobriety, motivation to treatment, participation and quality of life among inpatients diagnosed with Substance Use Disorders(SUDs) at selected de-addiction units in Kerala
15.	Mr. Ajesh Kumar T K	Dr.Deepika Khakha	Effectiveness of training program on communication and practice skill of psychiatric nurses caring for attempted suicide patients at selected mental health units.
16.	Mr. Sanjay Sevak	Dr.G.Balamurugan	A study of Nurse Led De-stressful skill interventions on stress, resilience, self-esteem, coping strategies and quality of life among patients with depression in AIIMS, Jodhpur.
17.	Ms. Jasna T	Dr.Usha Marath	Effectiveness of simulation based mental health nursing training on Knowledge, Attitude, Skill and Empathy among undergraduate students of selected nursing colleges in Kerala.
18	Ms. Linsu Thomas	Dr.Deepika Khakha	Effectiveness of a skill based intervention regarding "Management of perinatal psychiatric illnesses" on knowledge and self efficacy among nurses working in maternal and newborn units.

16th batch-2021

SI. NO	Name	Guide	Topics
1.	Mr.Rakesh VR	Dr.Deepika Khaka	The effectiveness of a Nurse-led psychosocial intervention package on the treatment outcome, functional impairment, health-related quality of life, and self-efficacy among patients with obsessive- compulsive disorder
2.	Mr.Raveesh Kaimal TV	Dr.Sreeja I	Effectiveness of Mental Health Nurse led home visit-cum-partnership intervention on medication compliance, global functioning, and social support among mentally ill patients.
3.	Ms.Manoj Kumar L	Dr.Roy K George	An exploratory study on impact of screen dependency upon mental health outcomes, sleep pattern disturbances, social connectedness, craving behaviour and health-related quality of life among school going children, in a view to develop guidelines for parents and teachers.
4.	Ms.Priya Nair	Dr.Usha Marath	An evaluative study to assess the effectiveness of selected standards of psychiatric nursing on the quality of mental health care provided by nurses in the selected psychiatry centre in India.
5.	Ms.K.Kiranmayi	Dr.Kamlesh Kumari Sharma	Estimating the effectiveness of nurse-led community mental health outreach program on health-related quality of life (HRQOL) of elderly at rural communities, Chittoor district, A.P: A Randomized controlled trial
6.	Ms.Namita Batra	Dr.Kamlesh Kumari Sharma	A study to assess the perceived expected and performed role of Community Health Officers (CHOs) in delivering Comprehensive Primary Health Care (CPHC) at selected Health and Wellness Centers (HWCs) and to develop and validate a self-efficacy appraisal tool for the, CHOs.
7.	Ms.Athira B	Dr Sushma Kumari Saini	A study to assess the prevalence of respiratory disorders among workers of coal mines and effectiveness of nurse led pulmonary interventional package on pulmonary function and quality of life among them in selected coal mines of Jharkhand
8.	Ms.M.Baby Saroja	Dr.Vathsala Sadan	Impact of a nurse-led primary health care programme on key health indicators from selected rural and urban areas of Tamil Nadu
9.	Ms.Sujata Mohapatra	Dr.Kamlesh Kumari Sharma	"A study to determine expectations & barriers in utilization of RMNCH+A services at Health and

			Wellness Centre (HWC) among beneficiaries and role competence of nursing personnel with a view to develop framework for effective RMNCH+A service utilization at HWCs."
10	Ms.Lisha L	Dr.Rajee Reghunath	An interventional study to assess the caregiver burden and the effectiveness of selected nursing interventions on functional status and health related quality of life (HRQoL) of patients with parkinsonism and their caregivers attending neuro OPDs of selected hospitals in south Kerala.
11	Ms.Poornima Mary Rodriguez.J	Dr.Dinesh Selvam	Effectiveness of nurse LED multifaceted intervention on level of loneliness, depression, sociability, family support and quality of life among elderly in selected community, Coimbatore.
12	Ms.Dharitri Swain	Dr.Latha Venkatesan	Effectiveness of Safe Childbirth Checklist (SCC) Implementation upon quality of maternal care provided by nurses and maternal satisfaction in selected peripheral health care centers of Odisha.
13	Ms.Kutty Rachel Babu	Dr.Smriti Mani	Lived experiences of Women Undergoing Surgery for Congenital Malformation of Genital Organs: A Phenomenological study
14	Ms.Deepak	Dr.Latha Venkatesan	"A Study to assess the effect of Simulation-based education on Critical thinking and Clinical competency regarding the management of Obstetric Emergencies among undergraduate midwifery nursing students."
15	Ms.Jenny S	Dr.S.Anuchithra	A randomized controlled trial to find the effect of comprehensive family centered antenatal care and counselling on psychosocial factors, health promoting behaviour, birth preparedness birth experience and neonatal outcomes among antenatal women attending Obstetric and gynaecological outpatient department of CMC vellore, Tamil Nadu, India
16	Ms.T.Kanaga Lakshmi	Dr.Smriti Mani	A population based cross sectional study to find the relationship between quality of work life and location of cross training among obstetric nurses in selected hospital of Delhi
17	Ms.Moirangthem Sonia	Dr.Sukhpal Kaur	"A Quality improvement project to reduce incidence of delirium by using interactive training on delirium recognition and delirium prevention protocols by critical care nurses among adult

			inpatients of critical care unit in tertiary care hospital, India”.
18	Ms.Amandeep Kaur	Dr.Raman Kalia	A mixed method design to assess the utilization of Simulation based education (SBE) and strategies to overcome the challenges in implementing SBE in their respective institutions by nurse educators trained in SBE at National reference Simulation Center, India.
19	Ms.Gigini George	Dr.E.Devakirubai	A phenomenological study to explore the lived experiences of COVID-19 survivors in a selected community sector, Madhya pradesh
20	Ms.Shaly Ann Joseph	Dr.Manju Dhandapani	A study to develop and evaluate Standards of Nursing Practice for radiation oncology units in Kerala.
21	Ms.Mary Shini D	Dr.Angela Gnanadurai	'Effectiveness of “ethics empowerment program on knowledge, attitude, and self efficacy on ethical decision making in nursing practice” among nurses working in medical surgical units at selected hospital, Kerala. - A mixed method research .
22	Ms.Sreekala P	Dr.I.Clement	A mixed method study to assess the medication safety knowledge and behaviour and to explore factors leading to safe and unsafe medication behaviour among geriatric patients suffering from chronic non communicable diseases attending OPD’s of a tertiary care hospital.
23	Ms.Anisha PS	Dr.Hemalatha	A mixed method study to develop and validate a Paediatric Nursing Care Check list for safe practice among nurses in paediatric wards and PICU of selected hospitals in Kerala."
24	Ms.Vineetha vijayakumar	Dr.Assuma Beevi TM	A Methodological study to develop Soft Skill Self Assessment Tool and Soft Skill Training Programme for Nurses in selected Hospitals in Kerala.
25	Ms.Kusum Gurung	Dr.G.Balamurugan	Long term impact of Covid-19 infection among Nurses at selected hospitals, Bangalore
26	Ms.Regupriya M	Dr.Balasaraswathi	A study to assess the post pandemic psychological well being, coping, resilience and social support among nurses worked with covid 19 patients at designated covid care hospitals.
27	Ms.Mohanambal Ramalingam	Dr.R.Sreevani	Evaluate the effectiveness of IDEAL discharge planning strategy on compliance with follow up, readmission rates, medication adherence and function ability among persons with Schizophrenia-A Prospective study in a selected mental health care setting, India.

28	Ms.Deepa S Nair	Dr.Jolly Jose	Prevalence of Diabetes and hypertension among bus drivers and conductors of Bangalore Metropolitan Transport corporation in selected urban bus depots with a view to develop an employee based multicomponent interventional package in relation to knowledge and practice on the prevention of selected NCD's.
29	Ms.Jubee Joseph	Dr.BalasaraswathiS	Factors influencing Retention and Development of a model incorporating measures to retain staff nurses in Private Health care sectors
30	Ms.Bibi Augustin	Dr.Anuchithra.S	An experimental study to assess the care seeking behaviour, expressed experiences of Mother & caregivers regarding New-born Danger Signs & efficacy of structured nurse led training session on New-born Danger Signs among staff nurses and its outcome in selected Hospitals, Dakshina Kannada, Karnataka

17th batch-2022

SI. NO	Name	Guide	Topics
1.	Ms.Poonam Ahlawat	Dr.Sushil Kumar Maheshwari	Cognitive impairment and its associated factors among elderly residing in old age homes with a view to develop an instructional module on non-pharmacological strategies to delay cognitive changes.
2.	Ms. Sanjukta Dixit	Dr.Muthuvenkatachalam	Effect of Nurse Led intervention on depression, craving and withdrawal symptoms among alcohol dependent patients attending OPD in selected hospitals
3.	Mr. Saleem TK	Dr.Riaz KM	Effectiveness of Graded-Cognitive Skill Training on Cognitive Functioning in Patients with selected mental disorders.
4.	Ms. Chitra Bora	Dr.Arunjyoti Baruah	Development and evaluation of the efficacy of Geriatric mental health care training module on knowledge, attitude and self-efficacy of nursing personnel in selected primary health centres
5.	Ms. Keerthi Mohanan	Dr.Sushil Kumar Maheshwari	Assessment of the use of Cannabis/Bhang among persons with bipolar disorder visiting selected hospital of Bihar and role of family care giver in treatment adherence..
