Dated: 27.12.2024

NOTIFICATION No. 15 OF 2024

SUB: Reciprocal Registration for Nurses from Military Nursing Services (MNS).

The Executive Committee of the Council at its meeting held on 26th October, 2024 has resolved that the Military Nursing Service (MNS) Officers need not do reciprocal/renewal registration till they are serving in the MNS as they do not come under disciplinary jurisdiction in any SNRC and are being transferred every 2-3 years from one State to another, subject to the condition they obtain 150 hours of CNE every 5 years.

Hence Military Nursing (MNS) Officers who are enrolled in NRTS are exempted from Reciprocal Registration until they are in Military Nursing Service. However, within 6 months of being relieved by MNS they shall update their information and obtain reciprocal/renewal registration from the SNRC where they want to work.
