

INSTITUTE OF LIVER AND BILIARY SCIENCES

CERTIFICATE COURSE FOR NURSES ON VIRAL HEPATITIS

The Institute of Liver and Biliary Sciences (ILBS) is a super-speciality hospital and Deemed University in New Delhi, India. It is also a World Health Organisation Collaborating Centre (WHOCC) for Viral Hepatitis and Liver Diseases.

The College of Nursing, ILBS (Established 2016) is dedicated to specialised education in gastroenterology and nephrourology nursing. The college provides advanced training through postgraduate programs, including M.Sc. Nursing and Ph.D. Nursing. Students benefit from a strong emphasis on clinical research and hands-on experience directly within and beyond the super-speciality setting of ILBS.
