ABOUT THE CONFERENCE

Second National Conference of Pediatric Critical Care Nursing

Nursing PediCriticon returns for its **Delhi Edition**, held alongside **PEDICRITICON 2026 – the 28th National Conference of the IAP Intensive Care Chapter**. A national gathering curated to enrich knowledge, sharpen clinical skills and keep nurses abreast of best practice in pediatric critical care.

Day one offers a choice of two hands-on nursing workshops. Day two is a full-day Nursing CNE with paper presentations, short talks, expert panels, plenaries, debates, hands-on ECMO and CRRT stations, a simulation race, a video competition and a quiz.
